News Letter

Dear partner in the ministry:

Greetings in the well beloved name of our Lord and Savior Jesus Christ. It is with great joy and an abundance of thanksgiving to the Lord that we report the activities of the new academic year. There are nine students in our graduating class of 2014. (Three students are from Gwalior (MP), four from Orissa and two from Kerala). All these students are praying about and looking forward to the ministry in the days to come.

Graduating Class of 2014 (March)

We are glad to announce the start of training of a new batch of students as of June 3, 2013. Three students are from Orissa, two from Andra Pradesh, two from Gwalior (MP), and one from Kerala.

First Year Students of 2013

All students, seniors and freshmen, have come from Brethren background - born again and baptized - and were in active fellowship with their local assemblies. Now they worship and fellowship with the saints of Rehoboth Brethren Church, Kallissery.

An outreach programme launched by BTC at Pandikuzhy, near Kumily in Idukki Dist. in cooperation with the Kumily Brethren Assembly resulted in the salvation of 47 people. All who are saved have come from Hindu or nominal Christian background. Now they are being trained in the basic doctrines in preparation for baptism and the start of an assembly there.

An Evening Meeting At Pandikuzhy, Kumily

It is reported that there are several lakhs of laborers from North India working in various construction projects throughout Kerala. Several hundred workers live at or near Kallissery. We have an excellent opportunity to reach them with the Gospel. We are in the process of getting them together for singing, fellowship and Gospel presentations. BTC students are of great help in this outreach programme.
